Summary of changes in this Timetable

We have made some changes to our services for 2019.

- **Service 242 Forfar to Fort William**
This service has been withdrawn due to poor passenger numbers. As an alternative, our 226 service to Fort William continues to operate fortnightly on a Tuesday between Arbroath, Dundee, Perth and Fort William, and points in between. See timetable for full details of the 226 service.
- **Service 244 Forfar to Inverness**
This service has been withdrawn due to poor passenger numbers. As an alternative, our 228 service to Inverness continues to operate fortnightly on a Thursday between Arbroath, Dundee, Perth and Inverness, and points in-between. See timetable for full details of the 228 service.
- **Service 257 Dundee to Callender**
The operating day for this service remains a Friday, but for 2019 is in the opposite week from previous years. This service can also be used by passengers wishing to visit Stirling.
- **Service 258 Kirriemuir to Livingston**
The operating day for this service has been changed to a Thursday. The frequency remains fortnightly from January to October, but increases to weekly on a Thursday during November and December. The timetable remains the same, but an additional stop has been added at Perth, Edinburgh Road at Tesco.
- **Service 266 Glenrothes to Oban**
To aid reliability, this service has been amended to start and finish at Glenrothes and the timetable has been recast to better utilise the time saved by not starting in Dundee. Passengers from Dundee can still get to Oban, by using our weekly service on a Wednesday (222 or 248).
- **Service 267 Cupar to Inverness**
